Appraver - Add entry to Allow List

Jenny Fletcher - 2025-07-03 - [General Support](#)

Request Email Address be added to Allow List in Appraver.

From the Quarantine Message Report, click on View next to the message from the sender you would like to Allow.

Once the Appraver web portal site opens, notice in the upper right corner of the screen if it says "Login"

username and password

If so, you will need to login with your email

Once logged in, you will need to click on "Show Allowed List & Tools" on the right side of the page.

Finally select the from address, and click on Add items to the Domain Allowed List.
